1. List the members of your group below. Underline your name.

2. Consider the guidelines on p. 280 of the textbook. For each of the guidelines: 4, 5, 8, 11, 12, 13, and 14:
 - (a) Provide an example composed of a sentence or two that illustrates problems caused by not following the guideline.
 - (b) Briefly explain, with details specific to your example, the problems caused by the above text.
 - (c) Revise the earlier text to follow the guideline.
 - (d) Briefly explain how the change addresses the problems noted earlier.

Use examples of your own; do not reuse or superficially modify the book's examples.
