

This exercise augments classroom discussion on the use of figures and other graphical representations.

1. List the members of your group below. Underline your name.
2. List several kinds of figures that may improve a Capstone report. Briefly note the main contribution of each.
3. Sketch three figures that significantly contribute to your Capstone report. Briefly explain the rationale for the figure's design.

[additional space for answering the earlier question]

4. Exchange worksheets and critique, noting your name.
